## Objective

Skillful and problem-solving IT student. I am currently completing my final year at East Tennessee State University, majoring in computer science. I am looking for a developer position at a company where I can use my communication and technical skills effectively in a team setting. I am available for the position in August 2024

## Experience and Projects

### Building a Website Project • ETSU CSCI - 1210

*September 2023 – January 2024*

- Work in a team of 4 to find a client, afterwards create a website tailored to what the client asks for.
- I was tasked with creating a web page that will inform the viewer on the family and youth services provided by the client
- From scratch I was able to program a page with pictures and short descriptions on the services
- My group received and A on the assignment

### Final Programming project • ETSU CSCI - 1260

*January 2024 – April 2024*

- Work alone to produce an interactive program in a Graphical User Interface
- I created a clicker game in Microsoft Blazor, based on my classmates and professors.
- I received an A on this final

### Sales Associate • Michaels Arts and Crafts

*October 2021 – Present*

- Working as a cashier expanding my speaking and professionalism skills.
